**There are four important messages here.  
Can you find them in these word jumbles and fill them in?**

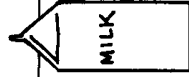

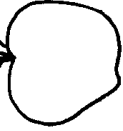

**Circle the items that are good for your teeth**

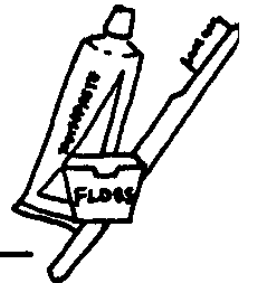

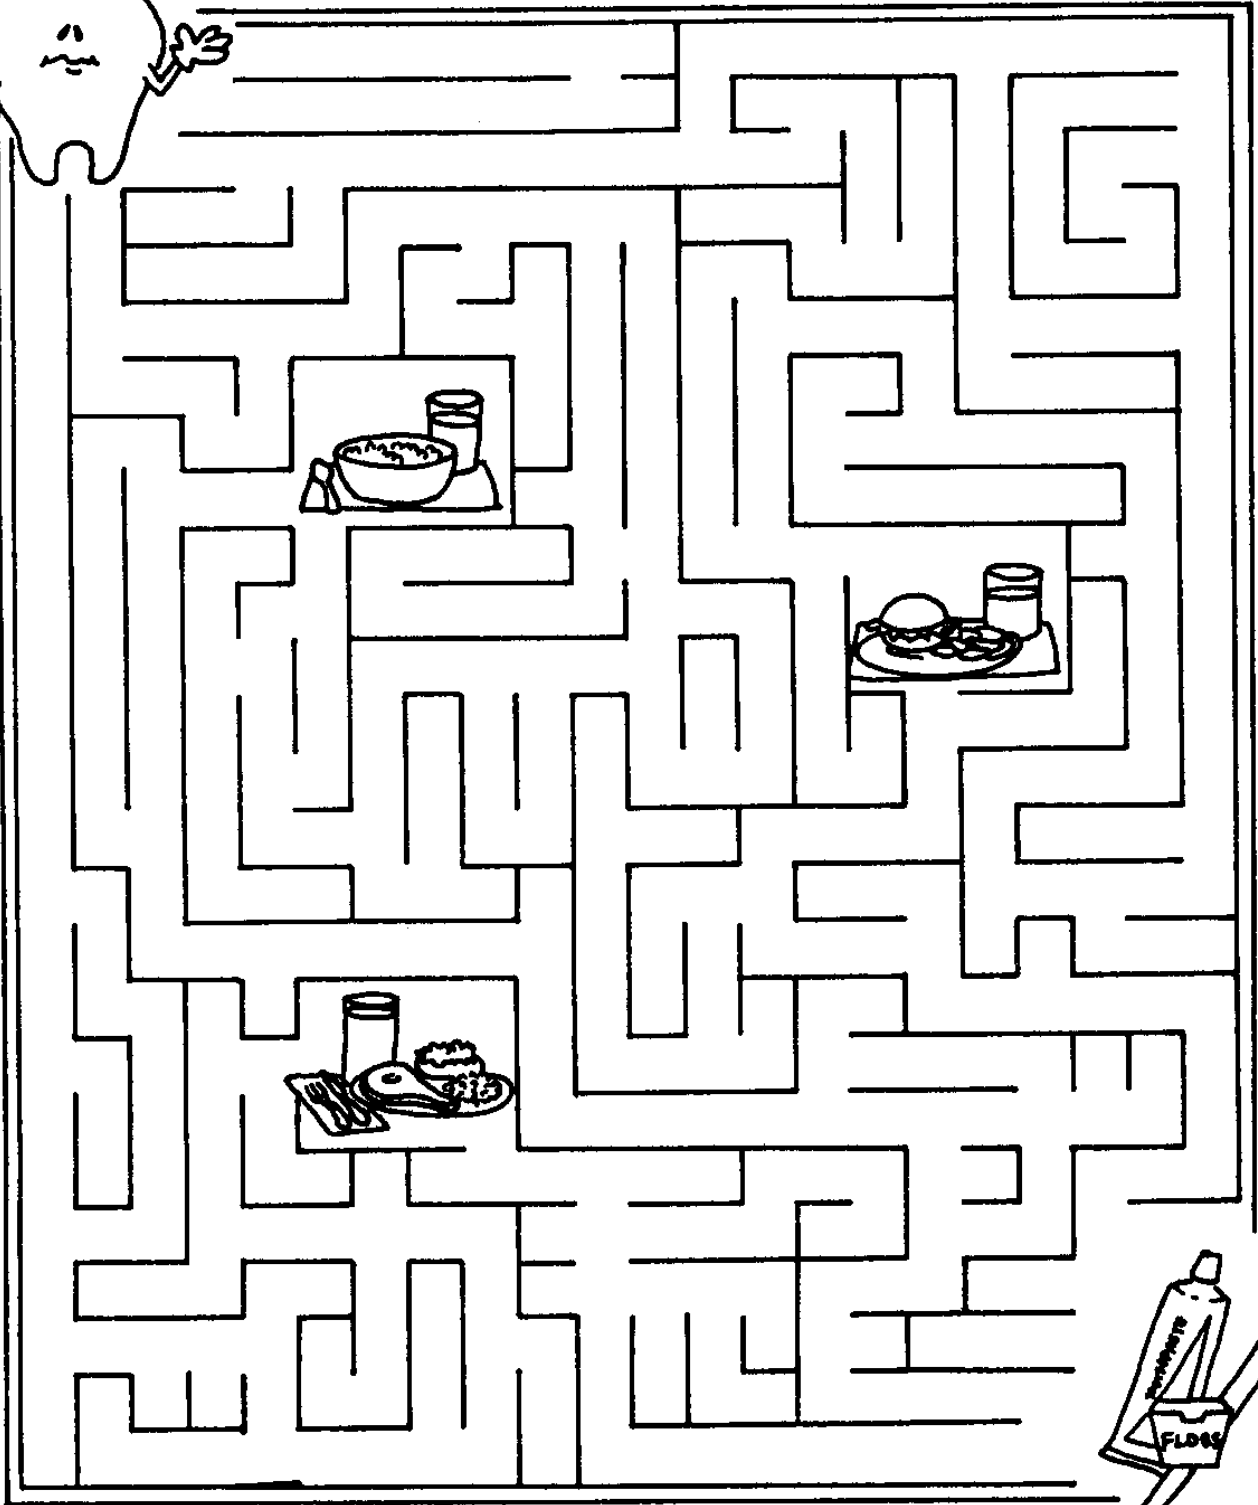

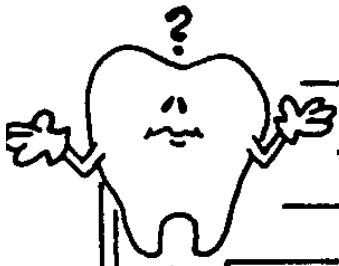

***Try to limit the amount of "Sweets" that you eat!***

Look very carefully in the picture above, and see if you can locate the items shown below hidden in the picture.

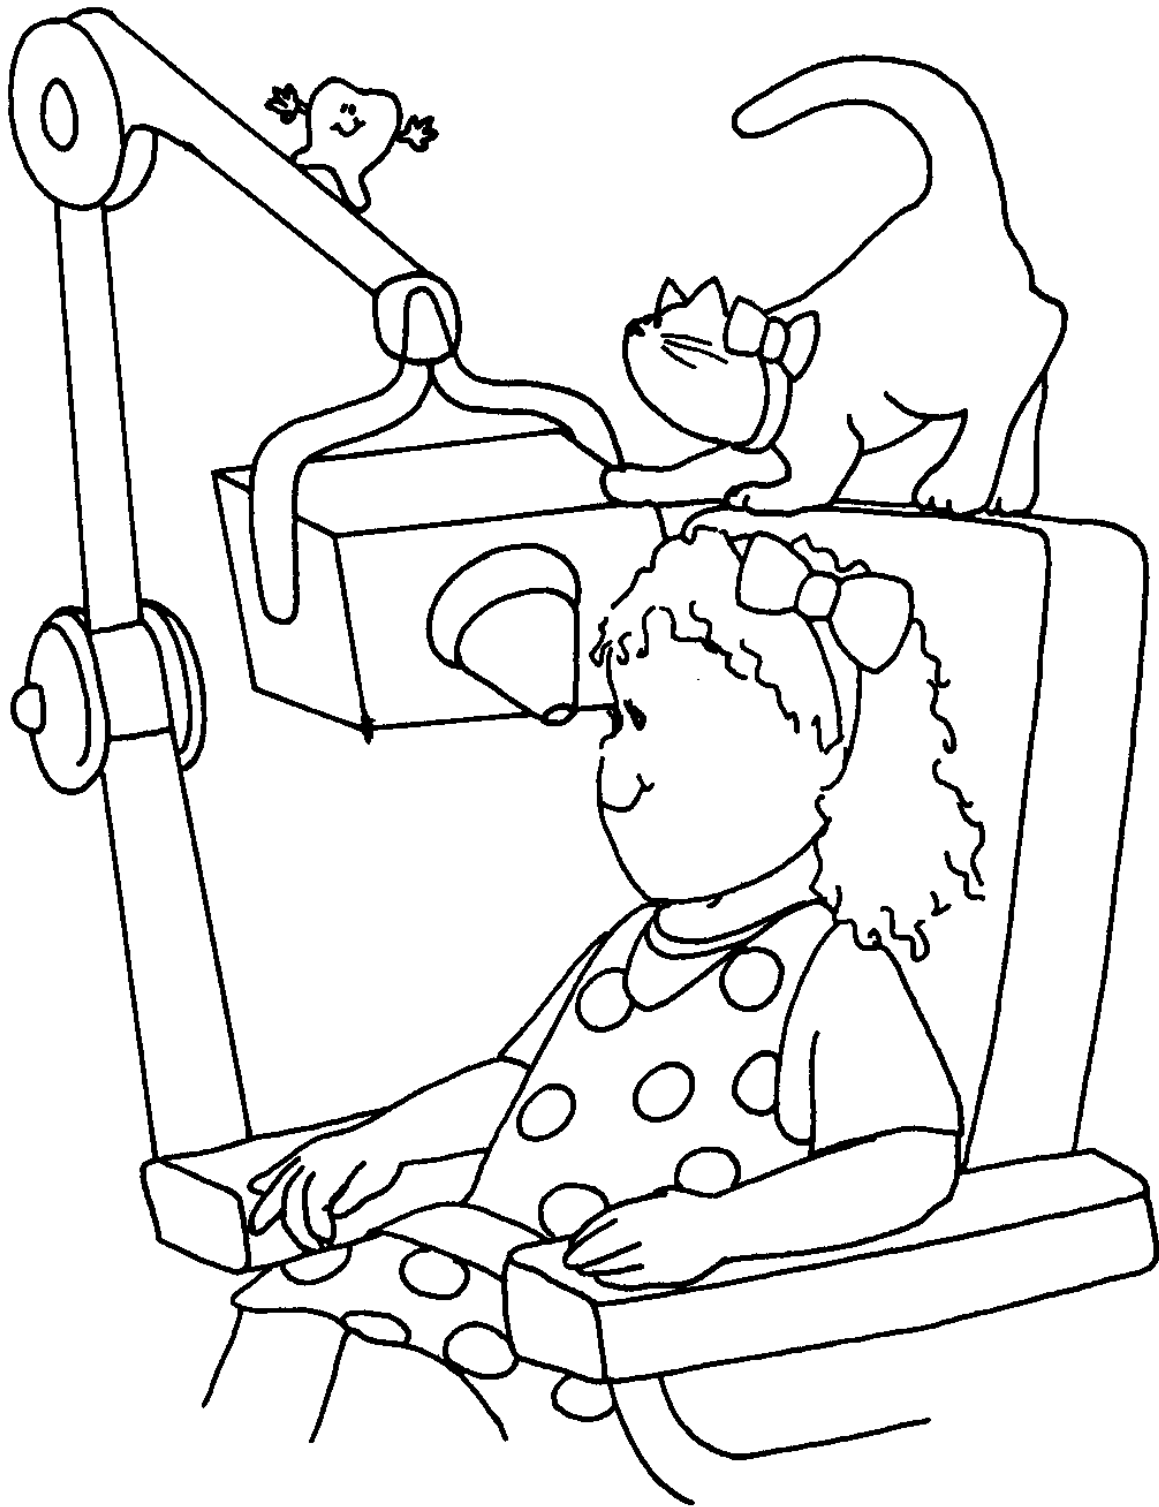

**Help the tooth find his toothbrush. There are three paths -- each one passing through a meal. Can you find all three?**

**Connect the dots.**

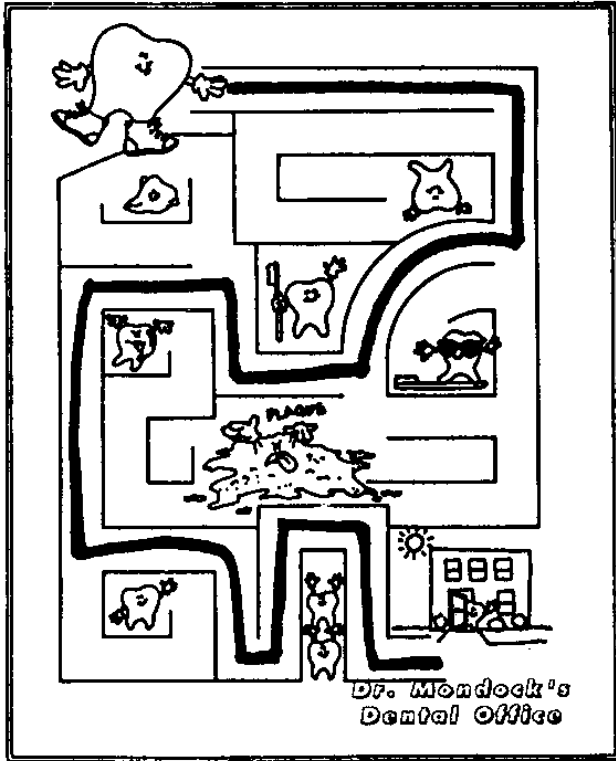

**Dr. Dave's Staff will take X-Rays of your teeth to find any cavities you may have hiding in your teeth.**

***It is very important that you brush after every meal.  
Color this happy boy and his dog.***
